Listen to the sermon 'Benefits and Dangers' from Rev. Anthony Cekada about the Motu Proprio from <http://www.sgg.org/wp-content/sermons/070708.mp3>

“And of course, there is a price to be paid. According to Ratzinger’s Motu Proprio and accompanying letter, the *Novus Ordo* — the ecumenical, protestant, modernist sacrilege that destroyed the Catholic faith throughout the world — is the “**ordinary** expression of the law of prayer of the Catholic Church.” Your Motu Mass — the true Mass, you may like to call it — is merely “extraordinary.” The new and the old are merely two uses of **the same Roman Rite**. If you accept the Motu Mass, you buy into all this, and become a paid-up member of Ratzinger’s One-World Ecumenical Church. » Rev. Anthony Cekada

A French translation of Father Cekada’s study will be published soon
